

Amamiya Koyori Body Pillow Cover Ver. 2 Sample Released

Poi:

A sample of the body pillow covers I've been talking about have arrived-poi!

Koyori:

Oooh-! Show me, show me!

Poi:

Here it is lined up with the made-to-order ver.1 from last time-poi!

Koyori:

Oh, wow! It's a little bit embarrassing, but it's amazingly colorful!

Poi:

Regarding the design this time, we tried pretty hard to keep it from being over-18.

A little more, and it might have been so.

Poi:

In fact, the printing press at the poi-rint shop is the latest version.

The color production on this Ver. 1 is better than those from before.

Koyori:

That means that the people who bought one last time have to buy one again! (Evil face)

Poi:

This time, we requested an increase in production of both Ver. 1 and Ver. 2, so both versions will be put on sale on BOOTH-poi.

Koyori:

By the way, last time, we got a lot of inquiries from overseas.

However, the person in charge didn't know how to ship overseas, so sales were limited to domestic, but how about this time?

Poi:

This time, BOOTH's "tenso.com Service" can be used-poi.

There are explanations in English, Chinese, etc., so overseas shipping is now poi-ssible.

Koyori:

Ooh-! This is good news for "Divine Miko Koyori" fans overseas!

I would really like you to put me by your bedside ♪

Poi:

What a nice business-smile-poi.

Koyori:

Shut up.

Koyori:

Oh, by the way, I didn't ask about something important.

What will the release date and price be?

Poi:

We received a sample last week, and replied that mass production was okay, so in about 3 weeks..... coincidentally, the same release date as our new work-poi!

Koyori:

(This guy..... aimed for that.)

Poi:

The price will be in the same range as a general body poi-llow.

Individual production will be in number of lots, so poi-lease forgive me.

Koyori:

I see, but if they're too expensive, it'll be hard for people to reach out, and as I am the model, I want to be able to reach as many people as possible, so please do your best with the pricing, too.

Poi:

But, I'll do my best-poi.

Koyori:

Well, it seems that body pillow production is proceeding smoothly, so please wait a little longer for release.
