

The "Divine Miko Koyori" body pillow cover is now on a premium sale!

Thanks so much for waiting!

As mail orders have finally been prepared, we've started mail orders!

They are available on BOOTH.

Since the quantity for each version is low, sales are limited to 2 per person.

You'll need to do the sales procedure yourself, but this time, we also support overseas shipping.

The overseas shipping service is operated by "tenso.com."

Amamiya Koyori Body Pillow Cover Ver. 2

The new Ver. 2 is Koyori in her school uniform, which appears at times in "Divine Miko Koyori."

Please enjoy Koyori's everyday appearance as a student, as opposed to wearing her shrine maiden attire.

This version is of the shrine maiden attire that was previously sold as a made-to-order product.

This time, the printing machine of the manufacturer has also been replaced by the latest model.

Color development is much better, along with Ver. 2.

Both are exceedingly good, so please take a look~!
