

Comic Market 99 Exhibit Info.

Our circle will participate in Comic Market 99!

Comiket will finally be held, starting from today!

Wow~ it's been quite a while since it's been held, and even though there are various restrictions, I'm really glad it could be held with no problems!

This time, Poison doesn't have anything of major importance to distribute, but we won the raffle, so on the second day, tomorrow, we'll be participating.

The world is still in a state of caution, so let's enjoy the two days while taking proper infection control and prevention measures(' ▽ ')

The exhibition booth will be 'Friday East District "モ" 52b!'

Distributed Goods

This time, the DVD press was not finished in time, so we'll be selling 'DL Codes' only.

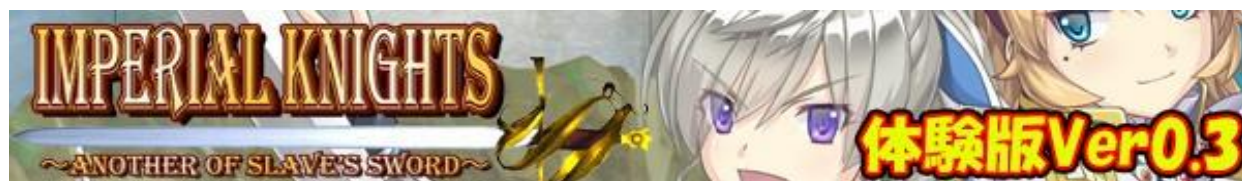

You can use the DL Code to download "Chris Survival" using DLsite.com.

The DVD version will be available at doujin software stores nationwide on January 21st, so those that want the DVD version, please head there.

Goods around here are also available on BOOTH, but the amount of things I'll bring to Comiket is rather small, as I'm bringing what's left at our base, as well as on BOOTH.

If I can make it in time, I might bring around 10-20 disks, to be released in advance.

In addition, we plan to bring in past works, as long as they are in stock.

We'd be overjoyed if you could stop by on the day (' ▽ ')
