

New Year's Greetings

It's a little late, but Happy New Year!

Thank you so much for your help last year, and Circle Poison would like to beg for your support this year as well.

Since it's the New Year, we wanted to prepare some new illustrations, yet we apologize, as we will present everyone with past illustrations like we did last Christmas.

Please accept them!

The goal for the first half of next year is "the release of 'The Hero'," of course.

By the way, the production status is a little delayed.

Even so, we think we will be able to release it by around May.

In the first half of the year, we will strive to produce and release "The Hero," and do our best to reveal it to everyone as soon as possible!

Small Talk

This year's first shrine visit was held on January 3rd on my way home, at Hotoku Ninomiya Shrine.
(It is a shrine dedicated to Ninomiya Kinjirou.)

This is a shrine with priestesses, so I had my spirits nourished
from the eye candy they provided since the New Year (´д`))
How did you spend the New Year, everyone?

Well then, let's go towards 2023 with vigor and eroticism! (´▽`)
